Mission Statement

To promote the formation of integrally-developed, competent, productive and socially responsible citizens by:
Instilling Christian Values in all its academic program, co-curricular and extra-curricular activities.

- Providing effective and efficient service learning to our partners by empowering communities to be self-reliant and by collaborating with other institutions.
- Encouraging self-improvement among employees to gain higher competence and better skills towards service excellence, and
- Exercising situational and servant leaderships in the sound management of our human and material resources.
